## Thistle Shareholders:

On June 13<sup>th</sup>, 2019 at the Thistle Annual General meeting the shareholder discount for leagues was discussed and voted on.

For the 2019-2020 curling season the share holder discount will be 5% for Thistle run leagues only. In the ever-changing economic times, a change was required, and the discount had not been adjusted in over 25 years.

There are shares in the Thistle currently available for the cost of \$100.00, contact Bob at the club if you are interested.

Regards and Good Curling

The Thistle Board.
